

Director of Youth Engagement

Congregation Beth Sholom, Teaneck, New Jersey

We are seeking the right Director of Youth Engagement (DYE) to be the face of our youth programming and engage and involve our youth in all aspects of synagogue life.

If you are truly a gifted Jewish educator/programmer and you are looking for a unique opportunity, then we need to talk!

It doesn't get better than this.....

- Egalitarian, Conservative community that draws 350+ to services every Shabbat
- Solid commitment to Shabbat, Kashrut, and the Conservative Movement
- Multiple minyanim for all ages every Shabbat, followed by Kiddush
- Popular programs include social Havurot, "Lunch and Learn" programs, Hug Ivri, and Hug Teva
- Amazing, dedicated, and bright young people who love Judaism and their community
- Staff and lay leadership who "get it," with a strong background and commitment to informal Jewish education.
- Robust budget for programming
- Generous compensation (with available benefits)
- Flexible scheduling (full-time preferable); we just want someone who will get the job done right

We are a special community and we need your help to make us even better!

The DYE needs to be a regular presence at our synagogue and be prepared to inspire a new generation of Conservative youth.

Are you ready for the best job of your life? If so, please send your resume to jobs@cbsteaneck.org.
